Notice of Assessment Rate Change in 2017

The Commissioner of Health has set the 2017 Assessment Rate for the Vermont Vaccine Purchasing Program based on the recommendations of the Immunization Funding Advisory Committee. The new monthly rate for child covered lives will be \$11.95. The new monthly rate for adult covered lives will be \$0.50.

The new rates will take effect for covered lives reported for the month of January, 2017. This means that the new rate will take effect with the payment due on May 15th, 2017 which will cover the months of January, February, and March of 2017.

Details regarding the Committee's recommendations can be found at www.vtvaccine.org on the calendar page for the October 26, 2016 meeting. The Commissioner's letter approving this change can be found on the Reference page of the website.
